My journey has taken me from the serene alpine lakes of austria to the rugged mountains and warm-hearted communities of pakistan, a country that deeply inspired me through its people, culture, and raw natural beauty. I speak english and german, and my mission is to inspire others to explore with curiosity, connect with nature, and experience travel in a more meaningful and human way.

IS THIS TRIP RIGHT FOR YOU?

Please note that a more conservative dress code applies for some of the sightseeing on the city tour. Entrance may be denied at some sights if this is not followed.

The Jeep Safari on this itinerary involves off-road driving through rugged areas - which all adds to the excitement. However, because of the adventurous nature of the journey and the rough terrain covered, we do not recommend this activity to passengers if they have any pre-existing medical conditions, are over 70 or pregnant.
